2. Deisel Powered
3. Moves on rubber tracks
4. Has life-like movements, neck and head
5. Designed with custom body, wings, tail, and head
6. Body designed to spin completely around while standing in one spot
7. "Dragonator Speaks" sound system, pre-recorded or custom "Live Interaction" dialogue
8. The only one who can carry a "Guest" rider (sitting on top)
9. "Dragon Slime" (water) sprays the crowd from the mouth
10. Dimensions
 - a. Height: Approx. 35 feet (opened up)
 - b. Width: Approx. 38 feet (includes custom body)
 - c. Length: Including tail and neck, 45 ft. Plus
 - d. Weight: 42,000 pounds

Draco with stretched out wings goes from 50 feet to 38 feet. With wings folded up, it will fit through door size (Width: Min.10 feet to 11 feet) (Height: Min. 12 feet)

The Dragonator is superior to any other mechanical creature in performance and total destruction!

Major Pluses to using Dragonator:

1. Cars do not have to prepared in advance, such as cutting roof or doors on vehicles
2. No need to preset or locate vehicles in special spots. You can drive them in or even be CRASHED in –however you want to do it.
3. Can destroy makeshift huts, buildings and houses, vans, cars, buses, and even planes
4. Dragonator performs sound, fire, and light shows

"The Dragonator is one of a kind!!"

Never used before in the Motorsports industry. All new different and exciting!
Dragonator's trainers and operators are always open for new ways to use Dragonator in a performance or promotion.

Please direct questions/inquiries to Rev Prochnow at AMTA2REV@aol.com

**The “Reign of Fire” Begins... “Dragonator”
The Mutant, Bionic Mechanical Dragon with Jaws of Steel!
He will perform and do things that
NO OTHER MECHANICAL CREATURE CAN DO!**

1. Dragonator has the body of a dragon, which can spin completely around while standing in one spot or while moving
2. Dragonator is the only mechanical creature with wings and a tail
3. Dragonator can lift a person by its mouth or jaw by a short cable hooked to a 5 point harness being worn by the person that's hidden under bulk clothing
4. Dragonator is the only mechanical creature a person can ride on. A seat is mounted on top of Dragonator unnoticed by the public. This person could be a local celebrity, guest, or our own Dragon Master or Dragon Mistress.
5. Dragonator blows "Dragon Slime" (water) from its mouth into the audience
6. Dragonator, like other mechanical creatures, also blows FIRE and SMOKE from its mouth
7. Dragonator can also lift and act as if it's drinking from a (35 or 55 gallon) drum. Any type of sponsor's product may be used (for example: soda, beer, oils, etc.)

**Dragonator is SUPERIOR to any other mechanical creature
in performance and total destruction.**

Awesome Promotional Tool!
**Tie-in media. Use local celebrities, sports,
news, or weather broadcasters seated live
from on top or hanging from Dragonator's jaws.**
**Use promotional media or sponsor advance
contests, winner to be Dragon Master or
Mistress for the day.**
Dragonator used as a Giant Bill-Board,

We can work several times a day all types of different skits.
We can work a contest with names in a fish bowl, winner to be picked.
The winner could be DRAGON MASTER for the day, sitting on & riding the Dragon.
